

[Land for Wildlife Fund](#) [1]

The Land for Wildlife Fund is an initiative of the BC Conservation Foundation's (BCCF) Board of Directors. It is a mechanism designed to conserve natural habitats by pooling resources towards the purchase of land for conservation. Through partnerships with organizations, companies and government entities, The BCCF is able to actively work towards the conservation of natural habitats for fish and wildlife.

Mission Statement

"To promote and assist in the conservation of the fish and wildlife resources of the Province of British Columbia through the protection, acquisition of fish and wildlife habitat."
